

CoAction West Cork provides quality services to support children and adults with an intellectual disability and autism. We aim to support people to develop their unique personal gifts, strengths and talents and to live their own lives in the way that they choose. Volunteers play a valuable role in helping the people we support to fulfil their goals and to achieve meaningful engagement with the community.

Volunteer Post Companion (Computer Course) – Bantry

What does this volunteer role involve?

We are looking for a volunteer who would be willing to accompany someone attending a computer course in Bantry.

Are there any requirements or particular qualifications needed?

A basic knowledge of computer skills would be beneficial. The role would suit a friendly and outgoing volunteer.

What are the days and times involved?

Wednesday mornings from mid-September – the computer class is held from 11.30am - 1pm.

What is the commitment required?

Approximately 2 hours weekly on a Wednesday for 10 consecutive weeks.

Will I receive any training or support to become a volunteer?

Successful volunteer applicants be offered the opportunity to take part in relevant training and will be supported throughout their volunteering by the Volunteer Coordinator and relevant staff of CoAction.

How do I apply for this post?

Contact the Volunteer Coordinator [details below] to obtain an application form.

For enquiries about this role or any other volunteering role please contact

Kirsten Hurley (CoAction Volunteer Coordinator) on/at:
